SUMMARY

Dynamic music business management student with a passion for the global entertainment industry. Proficient interpreter for K-pop concerts, adeptly facilitating seamless communication between production teams and artist management in Filipino, English, and Korean languages. Combined academic expertise in music business management with practical experience in event coordination and interpretation. Taught English to older Koreans for three months straight, consistently helping students achieve significant improvements. Poised to contribute effectively to the vibrant world of music management and cross-cultural collaboration.

EDUCATION

Bachelor of Science in Music Business Administration **Aug 2023 - May 2026**

Meridian International College

- Major in Music Business Management.
